WANTED:

Articles for the British Marque. Tell your stories about your LBC. It can be most anything. A trip. Your first LBC and why you bought a second. A repair that worked or didn't. An improvement (See the excellent articles by Andy Killian and Tom Doyle). Peter, Supreme Commander, wrote a very interesting piece about the lunch in Yerington. I now know where the name "Pizen Switch" came from. Any story that includes your LBC, past or present. And some pics to.

Send them to me at my email address, rrhiett@gmail.com.

Thanks, Ray

CAR CLUB**

July 4th

Eighteen cars drove up to Virginia City on July 4th to join in festivities. The parade was a little smaller than usual but it was enjoyed by all. The Pulled Pork Contest was a success and the judges had a difficult time coming up with a winner. All of the entries were fantastic. In the end, Kathy Schuett took the first prize piggy home with her. No matter the hot weather we all got in lots of visiting time with all of our members. And other visitors to Virginia City got to enjoy our cars. Thank you again to Mr. Phelps for securing the Masonic Lodge.
