## November Drive and Luncheon

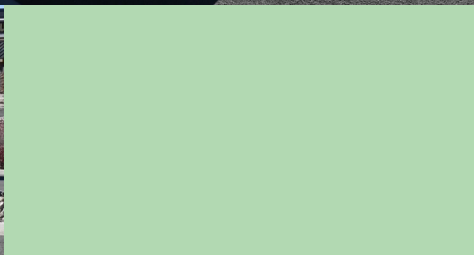

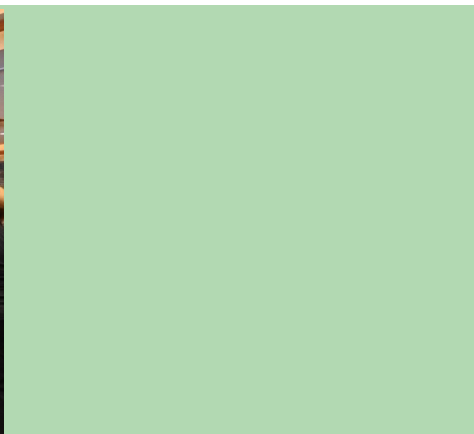

We had a great drive to David's at Redhawk on Saturday, Nov. 13. Lunch was served promptly to all of our 45 attendees. There were about 25 cars in the parking lot and folks stopped by to take a look in both the parking lot at Target and David's.

Norm Peterson worked his fingers to the bone with his laser cutter and created logos for all the LBC in our club. The plaque was yours for a donation that is going to the RBCC.

Super big thanks you to Norm, we raised over \$200.00 for the club. And he got to show off his artistic skills.
