Letter From The President

Dear RBCC members:

The good news is things are looking up. Many, but still not enough, of our members have received at least one of their vaccinations. I'm only 68 and still don't qualify. It is a little early but I was thinking we might want to start a list of those who have been vaccinated because they may want to get together. What I am proposing is that those who are interested send their names to our secretary, Karen (kgulash@charter.net). She can then get those folks together. I think it is reasonable that those vaccinated might be able to visit and have breakfasts (4 to a table) at Mimi's. I will follow up on this in the next month.

Additionally, Dave Kingman has contacted member Charlie Manchester and is interested in having another Car Show and Shine at his place at Glenbrook on Lake Tahoe. I have talked to the Jag Club and they are also interested in joining us again. This is in the early planning stages and we would be looking at some time in the summer.

On Wednesday February 10th Dennis Conly organized four of us to meet up for "Drive Your triumph Day". Joe, Steve, Dennis and I met up and enjoyed a nice little cruise to San Raphael Park. As always, when cruising in our cars, a good time was had by all. Please note that yours truly had to top down on this winter day.

Best to all,
Peter Gulash, President

Getting to Know You Tom and Heidi Doyle

Hi, my name is Tom Doyle and my wife is Heidi. We own a 1969 MGC/GT. My car comes from Nevada City, CA and we had some restoration work done by a shop in San Mateo, CA. The day after picking it up, it won first in its class in the MG By The Bay Show in Marin, CA. It is a beauty. It was a great find with only 62,000 miles. Additionally only 1,746 of the C-GT

body types were imported in the US with a standard transmission, and we have one. This makes our car a fairly rare find. 😊

Help!!

If you need help getting your vaccine, you can contact Wendy Killian at 775-835-0494 or triumph73kill@att.net. Wendy and Andy have already gotten their shots and they have figured out how to set up appointments. If you need help give her a call, she has helped a few of the members and some of their other friends.
