## Welcome to 2022, Almost

Wishing the news were better, but here we are again in the covid mess. Hopefully this new year will be healthy and happy for all.

Our next luncheon is set for:

**DATE:** January 8, 2022

**PLACE:** The Little Waldorf, 1661 N. Virginia Street, Reno, NV 89503

**TIME:** Arrive by 11:30 (No cruise for this time, hopefully the weather will be nice for our LBC's)

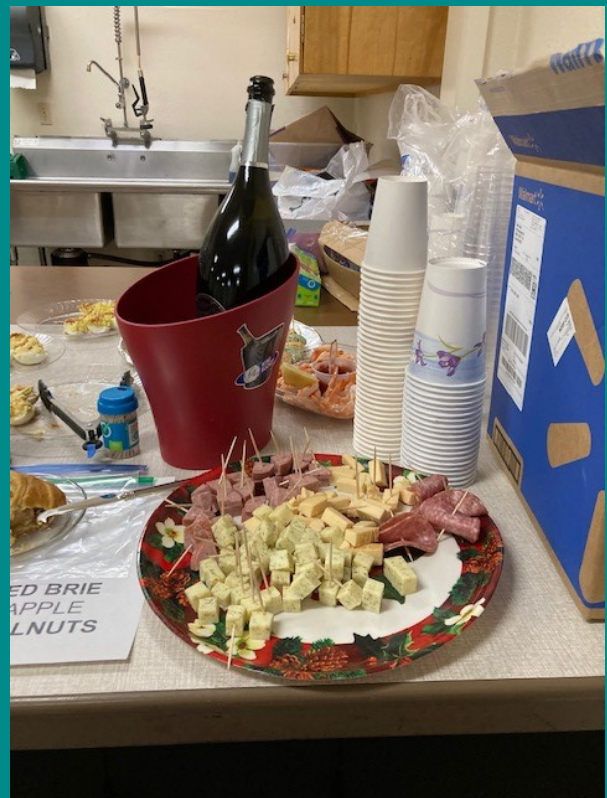

**RSVP:** Requested but not required. The restaurant has said that we can order off the menu and separate checks are okay.

**After the Covid survey, many folks want things to continue as they are. That said, we will be having the coffees on Jan. 5 and Jan 19, as well as the January Lunch at the Little Waldorf, as listed above.**

**Please do what makes you feel comfortable and please stay home if you are feeling ill.**

## Fantastic Christmas Party

We had a wonderful gathering for our Christmas Party this year. And we need to thank Andy Killian for his excellent organization of the event. From the sounds in the room everyone had a great time. The food was outstanding and the Gift Exchange was a fun and funny. Of course my favorite line was from Brian, who ran the Gift Exchange, "It's like herding cats." Yes we were all over the place, I kept trying to get a head count and the minute I would start counting, people would move. We think it was between 63-65 people. From the sounds of things people were having a good time. In all of the commotion we cut off Bruce's fun presentation. Some folks were able to still see parts of it but we will re-schedule this electric presentation.

## **RBCC General Meeting Agenda for 2021**

Treasurer's Report from Dale (see following page)

We are up to date as a Nonprofit Corporation – John Young has kept this current, \$50.00

We are covered by insurance with North American MGB resister. This requires that we have at least 8 members of NAMGBR. Updated yearly.

Presently we have 94 family memberships in Club

We have sponsored a car at the Auto Museum for many years. They always gave us free admission to our party. They have changed to half price for one, others full price.

The Schedule has only been a couple months ahead this past year, that is on me for several reasons, COVID, our size, clubs desire for cruises, procrastinating President. This will improve this year.

We have had some great success this year. Large coffees often 30, large luncheon, 65 Washoe Lake

We had a drone film of our club with 28 LBC's

We have been considering a car show. I haven't got going for several reasons, picking a date, conflicts with other shows, ID, Davis. I will move on this in next month.

As you know we elect our board for a two year term. The board for 2021 has been: President Peter Gulash, Vice President Ray Hiatt, Treasurer Dale Schuett, Secretary Karen Gulash, Past President Rick Yocke, and Web Master John Dark. The only change in 2022 will be Brian Kahler will be taking over as Web Master. Credit goes to John Dark for getting us to this point with the changing and improvements of the Web site. Andy Killian presented a motion to keep the board as presented, it was seconded and with no additional discussion the membership approved.

And thank you to our many photographers for supplying us with great photos for the website and the newsletter.
