June 2022

## ATTENTION!!

The golf course at Graeagle has changed managers and they felt that the only way they could serve us was if we all just showed up and ordered lunch. They also would not make any accommodations for tables for us and that would not work for the club. We spoke with The Little Waldorf but unfortunately we were a little late in asking and they are booked solid for June 11th. So we are going with Plan C, which is BYOL (Bring Your Own Lunch).

## It has been a Busy Month!!

The month of May started early April 30th, with the Hot August Nights Foundation "Classics and Cocktails". It was a fun event with great food and fantastic silent auction items. The donations went to help youth at risk in northern Nevada area. With our donation we were able to have an ad for our Car Show.

## California Healey Week

## California Healey Week– 2022

This show was down in Cathedral City, CA and the RBCC was represented by 3 cars. We also made contact with some folks from Southern Nevada. They are a fun group and we hope that we can plan some other events with them. The show was well planned and it was a full four days. We had a beautiful drive into the mountains and the Poker Run that was part of it, added that little bit of extra excitement. There were two dress up contests and Ken Moberly took First Place for his 60's outfit. (Pictured below). Peter came in Second for the Dress like a Brit Contest. they had a Funkhana where you did all sorts of fun activities like riding on a scooter, shooting a nerf gun, catching a tennis ball in a wine glass, (too bad there wasn't any wine in it). Peter took First in the shooting contest. There was a tech session for the those who were interested and there was a Bingo game for the ladies and yes, there was wine there and jewelry too. Karen won two rounds of Blingo. It was a great idea and everyone enjoyed themselves. They had a couple of tours and our took us to a Date Farm. It was really interesting and the we got to sample different types of dates and homemade cookies. The event ended with an evening of awards. Ken and Terri Moberly took second for their 1961 Austin Healey Sprite. Peter, Karen and Remy Gulash took 2nd place for our 1974 Jensen Healey. We think having Remy in the car put it over the top.

Who is that guy with the big hair?

Look at those pasty white legs!

## May Took Bruce Blair to England and The Rally of the 60th plus one

Sunday is rally day and the fog has returned in a big way. The fantastic views Ted and I experienced on the pre run are blanked. Great photo ops at the Falcondale Hotel and a fantastic place for breakfast and Dinner on Saturday. And we are off to the FORD, tough to keep track of 14 plus cars in hills and curves. The photographer was sent ahead to record cars splashing across the stream, but he was at the wrong FORD this never happens in Nevada. Lunch on the run was at the Moody Cow. Upstairs we needed more chairs. The parking lot was the photo op! Next down the harbor a small lane with a lilac house on it and our boy with the camera across the water. Then it was back to Ted and Claire's for tea and cakes. Claire took the short cut and had it all laid out before we arrived. I told you she is fantastic .

The title of this rally is the 60th plus one of the Minor Million. Yes delayed a year due to the pandemic. I was very happy to be a part of it and my sincere thanks to all that attended.

## Members please check out your towing insurance!

Unfortunately one of members needed some towing home from a car show. The owner had towing but it was not a simple situation. Please check out the type of towing that you have, it could make your life easier down the road. And I have already instructed Peter to get a hazard set up for all of our cars. Safety First!!! A BIG Shout out to Ken and Terry Moberly for stopping to help out our stranded members. We really do all watch out for each other.
