We just keep growing!

We had a huge breakfast at Mimi's on February 2, 2022. There were 37 people for the coffee. Our waitress was just running.

We would love to start having tech sessions again at breakfast. If you would like to give some kind of short talk or start a group discussion about a car topic please drop Peter a note and he can add it on to the coffee meeting. We have gotten too BIG for any kind of lunch time session within a restaurant. Email Peter at pmgulash@charter.net

Lunch at the Redwood

*Thank you to
John Dark and
Dennis Tholen for
the extraordinary
photos.*

It was another large lunch. There were 45 people and 17-20 LBCs at the Redwood Grill on Saturday, Feb. 12, 2022. Everyone loved the food and many folks plan on going there on their own, which is good for the business. We not only want a good review from the members but it is always nice to feel that we are welcome back to a venue (especially since we have gotten so big). The RBCC always gets compliments on our group. Face it, they love us. We not only bring business but our members are friendly. Saturday was also a beautiful day. We ended up having the raffle and book swap in the parking lot which worked out really well. We need the rain and snow but having a nice day for lunch is much appreciated. Thank you Mother Nature. Thank you to our many photographers today, I really appreciate you.
