## Unfortunately due to Smoke and Covid the Annual Georgi Wine Tasting Party is canceled for now.

You will just have to wait until the Spring or next Summer to taste the most recent vintage as well as previous vintages from the Chateau D'Georgi Vineyard.

## Must read information:

Effective July 2, 2021 The National Auto Museum has stated that car clubs associated with the museum and their members no longer enjoy free entrance to the museum. The fee is now 50% of the general admission and guests who accompany the members must pay a full admission rate.

# Hot August Nights Car Bomb

HAN was a success. RBCC was represented by 20 1/2 cars. It was HOT, HOT, HOT!!!

# The Manchester's

It was a wonderful day at the Manchester's. It was little smoky leaving Reno but it got clearing as we approached Carson City and better still as we drove up Hwy 50 and onto Gieger Grade. We had a record 43 people and 18 LBC's. We are definitely a car club with an eating disorder, as we always have the best food at our Potluck lunches. Here are some photos from the day.

## Sky Peaks Show and Shine

The Sky Peaks Car Show was a great success. Thank you to all who attended. There were 12 cars and the residents were very excited to see them. They had stories to tell and lots of conversations about the cars occurred. Lunch was good which then brought on more conversation by all. First prize went to Bruce Covey with his 1998 red Morgan Plus 8. Second prize went to Rick Armstrong with his 1966 British racing green Austin Healy 3000. And third prize went to Craig and Ali White with their 1961 white and aqua Nash Metro.

Congratulations to all the participants. And of course Sky Peaks has invited us back again for next year, so a trophy could still be in your future!
